The design and construction expertise that goes into each new home is unparalleled. Take time when visiting to appreciate outstanding Manitoba craftsmanship. It might seem impossible, but there are unique innovations and ideas to be found in every single show home. Talk to the representatives showing the homes about those features and what makes that particular home special. With such a wide selection available, we're confident that the perfect new home is waiting right now for you to visit. There is definitely something for everyone.

MHBA builder members appreciate the importance of your decision to purchase a new home. That is why they encourage Parade visitors to look carefully at each detail, talk to the sales agents and return for additional visits. After all, show homes are open after the Parade, too. Our builders want to ensure that you are matched with the home that is perfect for your life situation and family for years to come. We believe that this year's selection of new homes offers the right design and the right location for everyone. Be sure to visit as many homes as possible to take full advantage of the Parade. The more homes you visit, the more new and exciting ideas you will get.

In addition to variety and quality, there are numerous additional good reasons why now is the perfect time to purchase a new home. Financial institutions are still offering long term mortgages at rates among the lowest in decades. Manitoba and Winnipeg homes continue to increase in value year after year, making them among the most sound of all investments. Manitoba new homes are the most energy efficient in the country and a move to a new home results in significant energy savings.

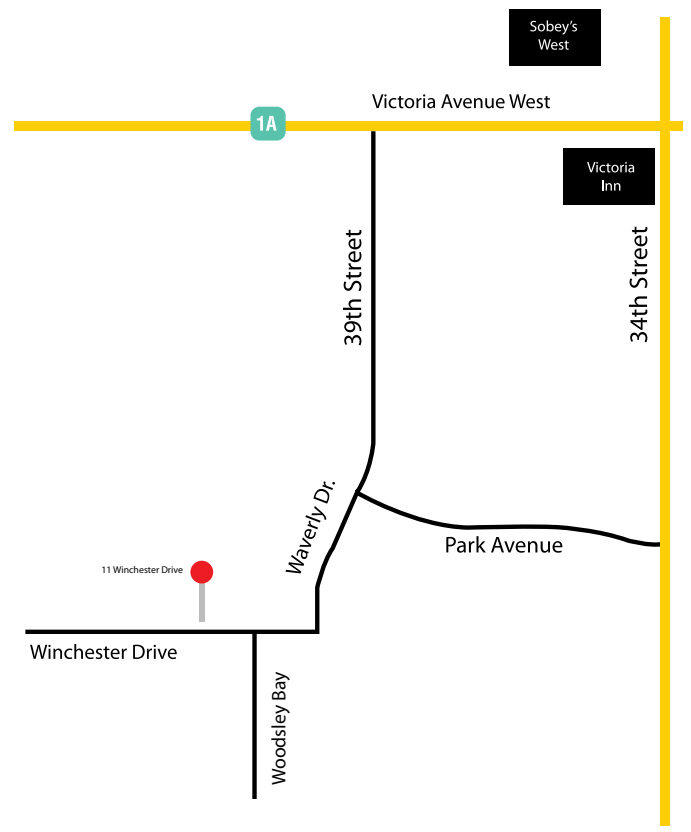

Manitoba's new home construction industry is strong and vibrant. MHBA member builders and suppliers keep abreast of the latest technology, trends and techniques to ensure that your new home offers affordability, quality and choice.

Enjoy the 2015 Fall Parade of Homes and thank you for visiting.
