In the late 1970's Hugh Martin formed NRS Martin Realty Associates Inc. and Scott Hetherington formed Liberty Realty. In the mid 1980's Brad Munn began a branch office of Liberty Redwood. As Liberty Realty was a leader in residential sales and NRS Martin Realty Associates Inc. was a leader in Farm and Commercial Sales, a partnership emerged. In November of 1996, Liberty Realty and NRS Martin Realty Associates Inc. amalgamated to form Martin-Liberty Realty. Martin-Liberty Realty was approached by a number of major Real Estate Franchise companies requesting a partnership. In 1999, Royal LePage and Martin-Liberty Realty formed a partnership to become known as Royal LePage/Martin-Liberty Realty.

Royal LePage has a proud history of delivering quality service and innovation, dating back to 1913. Our founder, A.E. LePage, introduced many first to the Canadian real estate industry, including property showings by automobile, detailed property descriptions in newspaper advertising and the use of film to showcase homes. Today, Royal LePage has grown to become one of the strongest and most trusted brands in Canadian residential real estate.

Looking forward to the future Royal LePage/Martin-Liberty Realty has expanded and improved its business model to help better serve the needs of Southwestern Manitoba which includes the formation of a new business partnership. Our Team of 56 Real Estate Sales Specialists includes 12 Partners, Nine Associate Partners, a Broker/Manager and three Administrative Personnel who reside throughout Brandon, Clear Lake, Souris, Virden, Swan River and Thompson. With an eye for continued opportunities for growth and expansion, and as the real estate industry as a whole continues to change and evolve, it's an exciting time to be involved with Royal LePage/Martin-Liberty Realty.
