

PARADE of HOMES

Lanny McInnes, President and CEO of the Manitoba Home Builders' Association

From September 7th to 29th, Manitoba's best home builders will begin a three week showcase of over 130 new show homes during the Manitoba Home Builders' Association's 2019 Fall Parade of Homes.

During the Fall Parade, Manitobans will have the chance to see the newest trends in home building design and the latest fashions in home decorating. For those looking at buying a new home, the Parade is the perfect way to see the best in today's new housing market. This year's Fall parade will again feature show homes in the newest communities and neighborhoods in and just outside of the city of Winnipeg, Brandon, La Salle, Niverville, St. Adolphe, Stonewall, Headingley, Oak Bluff, East St. Paul, and West St. Paul. We are also very excited to feature 2 new communities – Selkirk and Grande Pointe Meadows – featured in this Fall's Parade of Homes. Finding out which community has the right set of amenities and services that best fit your family can be just as important as finding which new home design is the right one for you. Taking in the Fall Parade of Homes is a great way to explore these wonderful new communities and neighborhoods across Manitoba.

The MHBA Parade of Homes is also a great way for those who may not yet be in the market to buy a new home to see what is new and exciting in-home décor, technology, finishings and fixtures. Many people who visit the Parade show homes are curious to see what the hottest trends in home decorating are, or they are looking for ideas for a renovation to their existing home. Kitchens, bathrooms and the latest technology in the show homes are always a huge draw for people attending the Parade of Homes.

We are very happy to have 3 beautiful Brandon show homes featured in this Fall's Parade of Homes. J&G Homes has 2 entries in this Fall's Parade, 18 Derlago Drive in Bellafield and 1 Ingstad Way in Southridge. R&M Homes is presenting 3 Marsh Crescent in Brookwood. These incredible show homes demonstrate the very best in new home designs made available by Brandon's best builders.

Be sure to look for #PARADEOFHOMESMB on social media and follow the MHBA and on Instagram, Twitter, as we will be featuring each of the over 130 show homes entered in this year's Fall Parade throughout September.
