HOME DESIGN BY HERITAGE CO-OP

Heritage Co-op is your complete home package provider. From the first detail put down on paper to your finished home, they are with you every step of the way. Offering customers high-quality home designs, paired with Heritage Co-op's exceptional material selection gives their customers the ease and convenience they deserve.

Co-op has a wide variety of home plans on their website at Home.crs. You are able to view them in 2D, as well as 3D format. 3D computer-aided design allows customers the option to virtually walk through their home, giving them the ability to visualize the scale and layout of each room. Concise drawings can reduce costly errors during your build and are a smart investment. Heritage Co-op also offers customers a 3D Virtual Home Tour. Click on the QR code on this page to experience a Virtual home tour today.

Mohammed Kehinde, also known as Kenny, is the Architectural Designer for Heritage Co-op Home Centre based in Minnedosa, Manitoba. With a degree in Architectural Design and a Master's in Project Management from the University of Bedfordshire in Luton, UK, he is the liaison with customers and contractors. Kenny works with customers at the Home Centre or he can provide in-home consultations in order to suit their needs. He offers drafting, computer-aided designs, modeling, 3D renderings, animation, and virtual home tours to his customers. Having over 10 years of experience in Home Design and Building Construction Management, he has proven to offer superior knowledge and results to his customers. Kenny isn't afraid of a challenge, from a whole home concept to kitchens and small renovations, he puts in the effort to satisfy his customers.

Heritage Co-op has a catalog of home, cabin, and barndominium designs for you to look through. Barndominium you ask? Yes! This is a country-style home design with strong influences of barn styling; offering open-concept floor plans with rustic aesthetics. They can build your dream home on a rural or urban footprint, providing you with the ideal layout. If you can not find plans to suit your family's needs, Kenny will work with you to create the designs of your dreams.

When building your next project, Heritage Co-op is the one-stop destination for you. Let Kenny and the staff help you create your vision today!
