

The Canadian Nursery Landscape Association has honored Alternative Choice Garden Centre with the prestigious 2023 Garden Centre of Distinction Award.

This national recognition celebrates their exceptional expertise in crafting remarkable gardens and landscapes. The award highlights their commitment to upholding high standards and advancing the art of gardening through public engagement and innovative technology-driven growing practices. Additionally, Alternative Choice Garden Centre has been distinguished as the 2023 Manitoba Garden Centre of the Year, reinforcing their excellence on a regional level.

As a comprehensive destination for all things gardening, Alternative Choice Garden Centre offers a diverse array of products and services. Their extensive range includes distinctive gardening gifts, a wide variety of plants, trees, shrubs, and a comprehensive selection of landscaping materials. Convenient online shopping for retail products is now available, complemented by the convenience of curbside pick-up and daily free local delivery options.

Within their gift shop, visitors will discover a delightful assortment of gardening-themed products curated for the home. This charming and spacious area showcases a variety of items, ranging from decorative art and home décor to fountains, lanterns, garden sculptures, tropical house plants, and more. During the festive season (November to December), the gift shop undergoes a captivating transformation, evolving into a Winter Wonderland adorned with white twinkling lights, festive decorations, gift inspirations, and freshly-cut Christmas trees and ornaments.

The Garden Centre is not just a place to shop; it's also a hub of exciting events and workshops year-round. Popular events, including workshops and Lady's Night, are offered on their calendar weekly. If you have a specific date or theme in mind for a workshop, they would be happy to customize it for you and your group's preferences. Watch their social media pages and website for exciting workshops opening up. It's the perfect place to escape to a warm, tropical paradise in the winter months.

The greenhouses and nursery are fully stocked each spring, boasting an impressive selection of over 1,000 varieties of exquisite annuals and more than 2,000 varieties of perennials, herbs, vegetables, house plants, and tropical specimens. Furthermore, they offer a wide range of hardy trees and shrubs, hanging baskets, roses, and combination planters. Complementary to their plant offerings, they provide a comprehensive collection of accessories and materials that are indispensable

for DIY gardening projects. These resources make it effortlessly achievable for individuals to craft stunning outdoor sanctuaries and landscapes.

Indoor gardening enthusiasts are also catered to, with an extensive assortment of planters, soils, soil amendments, pest management solutions, mini-greenhouses, and grow lights. Planters are available in various sizes for both indoor and outdoor use. Their stylish and functional planters add a touch of elegance to patios, decks, and walkways.

A warm invitation is extended to visit Alternative Choice Garden Centre. Their expertise and offerings can guide you in creating beautiful outdoor spaces that transform your home into a uniquely personalized haven of natural beauty.
